**South Carolina Pharmacy Association**

The mission of the South Carolina Pharmacy Association shall be to serve its members, enabling them to advance the practice and science of pharmacy.

*Our Mission*

**South Carolina  
Pharmacy  
Association**

*One profession,  
One voice*

## *Why Should I Join?*

Active members describe membership as a valuable experience - one in which the rewards of being connected to the professional community far exceed their expectations. The benefits they derive tell a compelling story - one that can be yours as well!

## *Membership Experience*

As a member, you become part of an extraordinary community of pharmacy professionals dedicated to improving patient care and education. We believe the profession advances when members share and exchange their knowledge and expertise. Volunteer and staff leaders want to connect you with these members as well as direct you to those programs, products and services designed to meet your specific goals.

# Benefits of Membership

Making the right connections, building productive relationships, and staying abreast of the advancements in pharmacy practice and health care are essential to your success. Imagine being part of something that is solely dedicated to you, your needs, and your advancement. SCPPhA is uniquely designed to help you accomplish all of this and more.

## Making Connections

Members of SCPPhA benefit from the experience and expertise of fellow professionals. As a member, you'll meet others in the Association who:

- share similar aspirations and goals
- have overcome common challenges
- are willing to share their expertise
- understand how to network and build worthwhile relationships

## Advancing Expertise

Continually growing and developing allows you to become a better professional. SCPPhA membership provides opportunities for growth and development. As a member, you'll find:

- information that directly supports your practice setting
- educational and professional development opportunities that connect theory and practice
- ongoing access available at your convenience and in a format that provides immediate benefit

## Championing the Profession

Maintaining the profession's integrity today requires ongoing vigilance of legislative and regulatory bodies at all levels of government. Through SCPPhA legislative advocacy, we will:

- keep you aware of the critical issues affecting you today and tomorrow
- advocate your interests to key legislators and regulators
- promote your commitment to patient care to key audiences

## Join Today!

Wherever you are in your career, you will benefit from membership in the South Carolina Pharmacy Association. It's our guarantee. We invite you to join our association today and learn how you can access the information and knowledge of greatest interest to you.
